Goal <sup>STEP</sup> Finish School and get Bachelor's Degree in Military History

Why: More proficiency in my military career by studying the past

Goal → - Become a History teacher after I'm done w/ the military

- Steps
1. Complete School w/ degree in Mil. Hist
  2. Study + take courses to become Certified Teacher
  3. Apply for + get job at a school of my choosing

In the way: A. Current Military Career + all the work I already have

B. Newborn Son (open Desire to spend time w/)

Get Around:
 

- Manage my time as efficiently as possible
- Work on School during my down time when I'm not able to be w/ Son

Support: - My wife going to school @ same time

## Outline

### Intro

### Mind Map

### Points

1. Why Attending College?
  - To get a degree and set me up for after my military career is over.
  - To learn about history in a constructive & productive way
2. What to gain from Experience?
  - Greater knowledge of learning + Hist
  - Degree
  - Ability to be a better teacher for other students when the time comes
3. What goal/skills make me suited to study in a tech age
  - Tech Savvy: use it all the time @ work
  - Many coworkers are attending or school - diff from them
4. What I do to be success @ this
  - Concentrate / maintain my motivation by focusing on the ultimate goal

5. What is challenge I have I overcome?

- Time - Better/efficiently organize my time
- Money - Savings, not buying unnecessary things
- Work - Manage time so I don't miss anything
- Family - or not accomplish my goal I put forth

### Conclusion

wrap up w/ motivation about my ultimate goal and the benefits of for why I go to school: history
